Anita Mandl: The Works

4th June - 27th July 2018

■ Set on the slopes of the Cotswold escarpment, Gallery Pangolin is one of the few galleries to specialise in sculpture and related works on paper. Over the past twenty seven years the gallery has established a reputation for works of quality and excellence by Modern and contemporary artists.

■ We are proud to be celebrating the work of Anita Mandl, one of our longest-standing gallery artists, with this solo exhibition.

■ 10 years on from our last solo exhibition of Mandl's work, the show will include sculptures in wood, stone, bronze and silver from all periods of Mandl's oeuvre.

■ Many of these works come from the artist's own collection and have never previously been exhibited. We are also delighted to include a brand new enlargement of one her most popular pieces, 'Otter and Cub'.

■ An illustrated catalogue by Gallery Pangolin will accompany the exhibition.
