## Nature of the Beast

19th April - 27th May

■ Gallery Pangolin is delighted to announce the 'Nature of the Beast' exhibition, an alternative look at the animal world through sculpture, prints and drawings.

■ Gallery Director Jane Buck said 'In every culture, for as long as humans have made art, animal imagery has played a major role and it continues to be relevant today.'

■ 'Nature of the Beast' includes work by 17 artists, including locally-based Ralph Brown, Lynn Chadwick, Damien Hirst and Lorraine Robbins.

■ The exhibition includes a huge variety of different depictions of animals, including Eduardo Paolozzi's contemporary re-interpretation of an Egyptian deity in *Baboon*, Nick Bibby's 'warts and all' *Elephant Seal* and Jon Buck's totemic *Heptile*.

■ Other engaging highlights include *Hartmann's Mountain Zebra* by Jonathan Kingdon, *Away From the Flock* by Damien Hirst and Deborah van der Beek's mysterious *Tyger*.
