■ Many of the highly-skilled workforce at Pangolin Editions are also talented artists and craftsmen in their own right. Following the success of 'In House' 2013, this latest exhibition showcases a new selection of work, all created by Pangolin makers.

■ 'We have a huge variety of work in the show, from drawings, paintings, prints and sculpture, to photography, jewellery, textiles and even the written word' says Gallery Director Jane Buck.

■ Works also vary enormously in scale, from Chaser Dan Cummings' tiny 'Dormouse Netsuke', exquisitely carved in boxwood, to Modeller Marcos Perez's thought-provoking, lifesize blindfolded figure, 'Untitled'.

■ Other highlights include an ingenious, bearded portrait made from recycled tyres by Store Technician Buffy, Modeller Lorraine Robbins' politically-inspired painting 'January 21 2017 - phone call from America' and Gallery Assistant Cath Ingram's evocative textile work '8 Hour Shift'.
