

GALLERY PANGOLIN

Focus on the Figure: Sculptors' Prints and Drawings

20th March - 5th May

■ Now in its 9th consecutive year, Gallery Pangolin's popular 'Sculptors' Prints and Drawings' exhibition is focusing on 'the Figure' this year.

■ Gallery Manager Sally James said 'This exhibition of works on paper by Modern and contemporary sculptors explores the many different ways in which artists have portrayed the human form through printmaking and drawing.'

Reclining Figure 1966

Harry Thubron

■ Gallery Pangolin's show includes work by 20 different artists, with new works by local artist Lorraine Robbins and gallery regular Jon Buck as well as recently acquired prints by Henry Moore and Marino Marini.

■ Modern sculptors are well-represented with works by Kenneth Armitage, Ralph Brown, George Fullard, Marino Marini, Henry Moore, Eduardo Paolozzi and Harry Thubron.

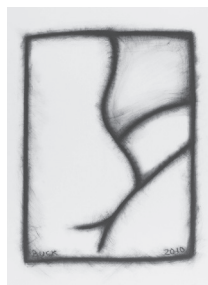

■ A full list of artists included in the exhibition can be found on the gallery website: www.gallery-pangolin.com
