

Paying tribute to Ruwenzori Sculpture Foundation:

Award presented by: Erlend Linklater

Strategically located in the foothills of Mt Rwenzori, Ruwenzori Sculpture foundation is well known for its highly crafted Bronze Sculptures, for both local and international market.

With 150 species of birds on site, Ruwenzori Sculptures Foundation has encouraged tourism in the area, through creating awareness about wildlife conservation.

Natured Artistic Talent through provision of workshop facilities and tutoring.

Forging cultural links between Uganda and Europe

Supporting safe water supply to the community and Sustainable Environmental conservation.

Hosting a community Clinic with subsidized cost of treatment.

Last but not the least, design and produce a series of over 30 clan totem sculptures based on local traditions.

Expats in Uganda would like to pay tribute to Ruwenzori Sculpture foundation for its remarkable achievements.
